VOL. 13 NO. 31 WEDNESDAY, AUGUST 2, 1972

10¢ By Carrier 15¢ A Copy

St. Albert being considered as Recreation Headquarters

Hon. Horst A. Schmid, minister of culture, youth and recreation, province of Alberta made a sweeping tour of St. Albert Saturday, accompanied by Ernie Jamison, M.L.A. Mayor and Mrs. Gibbon and Arlene Borgstede, chairman of the St. Albert Historical Society.

Purpose of the visit was primarily to look over the vacant Mission Park School to assess its potential as the Provincial Recreational Headquarters for 48 various agencies.

The Mission Park School,

covering about 17,000 square feet of floor space is not in demand by any of the local school systems Mr. Schmid, after inspecting the premises, came to the conclusion that the cost of repairing the old school would be less than building new premises for the proposed recreational headquarters. "This decision is not final," he said, "however, I'm very impressed with the proposed site and can see many advantages to this building in St. Albert for our recreational head-

quarters."

Afterwards, they visited the Father Lacombe Museum. Mrs. Borgstede led the party through the premises and explained briefly to the minister, the future plans of the St. Albert Historical Society.

Further discussions this week between the minister and Mr. Jamison revealed that the Father Lacombe Museum qualifies for an annual provincial grant of \$500.00.

Application for this year's grant is presently being prepared.

Mission Park School has been standing silently for several school terms, not knowing what would be its destiny. If the present proposal submitted to the minister of culture, youth and recreation comes to fruition, Mission Park may again become a den of activity, housing a wide variety of recreational agencies. Mr. Jamison, M.L.A. is awaiting word from Hon. Horst Schmid's department. No date has been set for an announcement.

Sun Greet Record Crowd At Legal Fete Au Village

The Legal community were still blessed with favorable weather for their two-day extravaganza. Thousands of people milled through the grounds both days.

The recreation board is assessing the biggest festival ever held in Legal since the beginning of Fete au Village 10 years ago. Our village is very fortunate to have dedicated and able people so willing to spend hours and hours of planning and work for this annual celebration.

The beautiful "smiling sunshine" and the air of friendliness throughout the village was felt by the thousand of visitors.

Marcel Dube, the parade marshal, wishes to thank all those who had entries in the parade, also the judges Rev. Father Camille Bissonnette from Africa, Dr. MacDonald St. Albert, and Roger Bourbonnais, Edmonton. The winners for the best floats were - 1st Chateau Sturgeon, 2nd - St. Albert Community League, 3rd - Alexander Reserve. Legal Parish Council won for the most original float.

The \$25 gate prize Saturday was won by Mrs. Lilliane Blouet of Vimy and Sunday Mrs. Laurette Kieser of Edmonton was the lucky winner.

The demolition derby winners were Denis Pelletier first, Denis Landry second and Philippe Prefontaine came in third.

The \$1000 baseball tournament ended with the Legal team winning the last game 15 - 4 against Linaria and victoriously taking the tournament.

The tournament started Saturday at 12 noon with Vimy defeating Westlock 7 - 4, second game was played between Barrehead and Morinville, Morinville winning 5 - 4, Linaria defeated Redwater 11 - 3 in the third game Saturday. Sunday semi-finals, La

gal 4 vs Vimy 3; Linaria 15 - Morinville 5; final game -- Legal 15 - Linaria 4. The pancake-eating contest was a real crowd pleaser. The contestants had 15 pancakes to eat and the first one finished was awarded a

trophy. The winners ages 7 - 11 was Walter Flizer and in the age group 12 years and over Lyle Triheart took the trophy. Jerry Krauskopf then challenged anyone who could eat more

Local lad launched on trail to fame

Gary Wescott, 12 (Waucho) of 40 Belmont Drive, St. Albert is headed for the "big times" in Los Angeles, Calif., now that he's been discovered as a potential entertainment headliner.

Gary, whose stage name is now Wescott, attracted the attention of talent scout while performing locally. Mr. Rodnursky, manager of Rojak Productions has taken Gary under his care and foresees a great future for this talented youngster. Incidentally, Mr. Rodnursky discovered the now famous Gloria Kaye and tutored her

to fame and fortune. Gloria often stars on the Tommy Hunter Show.

Now, with Gary Wescott as his newly-found protegee, Mr. Rodnursky is currently giving Gary voice training and stage experience before taking him to Los Angeles, and a bright future. Gary will be featured vocalist at Lac La Piche August 4, 5 and 6. His next engagement will be at Westlock August 18. He failed to make the scene at Fete au Village in Legal last Saturday and Sunday because he was enjoying a short holiday trip with his parents.

The Hon. Horst Schmid enjoys an old fashioned ride with an up-to-date young miss, Christiane Durant of Calgary who was named Mlle. Cabane a Sucre at this year's sugaring-off festival. Driver Pete Montpetit wears the distinctive red toque and costume recalling the 'Coeur de Bois' of early Canada, whose colorful history sets the theme for Legal's Fete au Village.

Margo Montpetit crowned Mlle.

Fete Au Village

Margo Montpetit was crowned Mlle. Fete au Village by last year's queen Bonnie Campbell on the

bandshell Saturday evening. The girls were judged on appearance and talent.

The judges Mrs. Antoin-

ette Hess, teacher in Edmonton, Mrs. Brenda Blouet, teacher in Westlock and the mayor from Morinville, Mr. Art Stapleton found their task very difficult.

Margo was presented with an array of gifts; a bouquet of lovely red and white carnations, two pieces of luggage, compliments of Simpsons-Sears, a beautiful make-up kit containing brush-on mascara, touch and glow transparent glowing powder and a luminousque lipstick, compliments of Revlon, a Revlon cosmetic certificate of \$25 from the Hudson's Bay Company, \$50 from the recreation board and a trophy. All the other candidates received a make-up kit compliments of Revlon and \$15 from the recreation board.

St. Albert Urged To Note Phone Number Change

Effective with the March 4th, 1973 telephone directory, Alberta Government Telephones announced this week the first three digits of St. Albert telephone exchange numbers will change from 599 to 459. AGT is quick to add, however, that the last four digits of our present telephone numbers will not change.

By advising St. Albert telephone subscribers now, we hope this will give our readers plenty of time to

make the necessary plans while contemplating printing orders. You may be planning to reorder new office stationery or promotional pieces, please keep in mind that your telephone number will change on March 4, 1973.

According to AGT, other telephone exchanges in our newspaper circulation area will not be affected in March of 1973. Morinville, Legal, Bon Accord and so on will keep their old numbers as they presently are.

Margo Montpetit was crowned Mlle. Fete au Village Saturday evening at the conclusion of the first day of Legal's annual gala event. Miss Montpetit received the Queen's crown from Bonnie Campbell, last year's queen. The crowning ceremony took place at Legal's Bandshell.

Being hospitalized didn't hamper Mr. and Mrs. Alexander McRae of Morinville from celebrating their 52nd wedding anniversary, on July 26. Both being patients at the Sturgeon General Hospital when their anniversary date came about, Mr. and Mrs. McRae marked the event at an intimate social held at the hospital. A wedding cake was made by the hospital dietician Mrs. Micheline Bouchard and attending at the celebration were Shyam Rao and Judy Andrews who work with the couple.

Around Town

Mrs. Grace Wills of Kentville, Nova Scotia returned home last week after spending several days visiting with her parents in Vancouver and four days with her brother and family, Mr. and Mrs. James Cowie and family whose home is here in Mission Park. While in Vancouver Mrs. Wills found her father, Mr. Atchison in failing health. Grace works for the Town of Kentville and was due back on the job Monday. She made the long voyage West and back via jet passenger aircraft.

Some of the Klondike Kash dribbled into St. Albert last week while Edmonton was having its annual "blowout". Susan Kambouroff, daughter of Mr. and Mrs. Rene Kambouroff of 33 Gordon Crescent, was on stage for the gate-prize draw last Tuesday for \$1,000 soon as her third-place ticket was announced. Susan, third in line for the big money "sweated" it out for an interminable 15 minutes then the number one ticket holder showed up (bless his heart). Anyway, Susan walked away with 50 silver dollars as consolation for her anxiety. Another local resident came home with some loot during Klondike Days, Ian Kay of 96 Grandin Road, St. Albert, won a microscope set, drawn for following the "Man the Daredevil" performance.

Braeside Presbyterian Church, 6 Bernard Drive, St. Albert will hold a Vacation Bible School starting

Monday, August 14 and will continue until Friday, August 18 at the church from 9 to 11:30 a.m. every day. The program under the direction of minister Noel Gordon, will include: singing, crafts, games, refreshments and bible instruction. All children between the age of three through to students in Grade 8 are cordially invited to participate. Assisting Rev. Gordon will be several qualified and enthusiastic lay volunteers.

Council held the second phase of its July 24 Committee Meeting Monday, July 31. This came about in view of the heavy agenda scheduled to be dealt with July 24. Another factor which comes into this turn of events is the old Council policy which states that any month containing five Mondays, the last Monday will be a night-off for Council because the schedule is basically structured for four meetings per month. However, this July, there were no nights-off for council because of the carry-over of business left on the previous agenda. After Monday's "continuation meeting of committees" council will take a breather Monday, August 7 because of the Statutory holiday. That regular council meeting will be held Tuesday, August 8.

J. L. Case Company announced this week the purchase of the tractor and entire agricultural division of David Brown manufac-

uring company in England. Case dealers will soon be displaying the famous Brown tractors on their lots. Watch The Gazette for full details and future announcements.

A group of youngsters are staging a Penny Carnival and Mini-Midway this week at 137 Grosvenor Boulevard. Theresa and Edward Gullberg, who live at 137, Margaret Jorgensen, Rhonda Goodman, Wendy Peeters Blair Supple and Carmen Cook plan to have popcorn and candy and a variety of games going, plus three "give-aways" which are secret, plus a cake raffle to be drawn on the final day. So if you've got any children looking for something different to do, with a few pennies to spare, send them along on Thursday, Friday and Saturday between

pancakes than him, two volunteers came on stage and each received 20 large pancakes on their plates. Jerry was declared "King of the Pancake Eaters" and was given a souvenir mug.

The two-day celebration ended with a spectacular in the area. It was most unfortunate that the 2A system wasn't the best and caused problems but we guarantee you that this problem will be rectified next year. A gigantic display of fireworks ended the festivities.

The Fete au Village committee would like to express their gratitude to everyone who helped to make it bigger and better than ever and the committee is already planning for next year's festival.

Urban metropolitan areas in the United States are expanding at the rate of 1,000 square miles a year, equivalent to adding a new Boston or Washington, D. C., annually.

the hours of 11 and 4 o'clock.

Elmer Harrison dropped in the Gazette office Tuesday, looking well and still much interested in St. Albert. Former residents of Gainsborough Avenue, the Harrisons are now in Edmonton, Elmer reports that daughter Betty is working at the Fireside Voyager Restaurant.

and Highway 2 failed.

Mr. W. Smith, regional manager for Calgary Power explained to The Gazette Monday that the cause of the power interruption, "appears to have been caused by the break-down of a piece of equipment at the sub-

station," Mr. Smith said that these things occur following electrical storms.

Calgary Power Ltd. workers were alerted of the "outage" at about 8 a.m. and by 8:20 power was restored through alternate feeder lines.

Town of St. Albert

Notice of Intention

TAKE NOTICE THAT THE TOWN OF ST. ALBERT INTENDS TO CONSTRUCT THE FOLLOWING LOCAL IMPROVEMENTS IN THE TOWN AND INTENDS TO ASSESS THE ABUTTING PROPERTY OWNERS FOR THE COST OF THE FOLLOWING LOCAL IMPROVEMENTS.

- (1) TACHE STREET: From Sir Winston Churchill Avenue to St. Thomas Street including curbs, sidewalks and pavements of thirty (30') foot width, and turn around at St. Thomas Street all complete with boulevarding.
- (2) SIR WINSTON CHURCHILL AVENUE: From Grandin Road to Tache Street including the North half of a divided roadway of 2 - 24' widths, turning lanes and divider median complete with all curbs, sidewalks and boulevards.
- (3) GRANDIN ROAD: From Sir Winston Churchill Avenue to St. Thomas Street including a roadway of 2 - 24' width, turning lanes and divider median complete with all curbs, sidewalks and boulevards.
- (4) LOTS 21 - 40, BLOCK 2, PLAN G: Water Mains, Sanitary Sewer Mains and Storm Sewer Mains to be located on easements across the property.

THE ESTIMATED COST OF THE WORK FOR ITEMS:

- (1) IS TWENTY-TWO THOUSAND FOUR HUNDRED TWENTY-NINE DOLLARS AND TWENTY-TWO CENTS (\$22,429.22).
- (2) IS THIRTY-TWO THOUSAND FIFTY-ONE DOLLARS AND EIGHTEEN CENTS (\$32,051.18).
- (3) IS TWENTY-SEVEN THOUSAND EIGHT HUNDRED FOURTEEN DOLLARS & THIRTY-EIGHT CENTS (\$27,814.38).
- (4) IS TWENTY-TWO THOUSAND SIX HUNDRED FORTY-FOUR DOLLARS & TWENTY-TWO CENTS (\$22,644.22).

THE ESTIMATED ANNUAL ASSESSABLE RATES PER FOOT FRONTAGE TO BE PAID BY ABUTTING PROPERTY OWNERS ARE:

	Annual Assessable Rate	Assessed Frontage
Lot 18, Blk 1, Plan G	(1) \$12.12	52.5'
Lot 17, Blk 1, Plan G	(1) \$12.12	52.5'
Lot 24, Blk 3, Plan G	(3) \$20.04	58.5'
Lot 21 - 40, Blk 2, Plan G	(1) \$12.12	105'
	(2) \$ 7.27	500'
	(3) \$20.04	105'
	(4) \$ 5.14	500'

THE SEVERAL AMOUNTS TO BE ASSESSED AGAINST THE ABUTTING OWNERS WILL BEAR INTEREST AT A RATE NOT EXCEEDING NINE AND ONE HALF (9 1/2) PERCENT PER ANNUM AND SHALL BE SPREAD OVER A PERIOD OF TWENTY (20) YEARS BEING THE ESTIMATED LIFE OF THE LOCAL IMPROVEMENTS AND WILL BE REPAYABLE IN TWENTY (20) EQUAL CONSECUTIVE ANNUAL INSTALLMENTS.

* THIRTY-FIVE (35%) PERCENT OF FLANKAGE IS CONSIDERED AS FRONTAGE IN DETERMINING THE ASSESSMENT PER FOOT FRONTAGE.

ABUTTING PROPERTY OWNERS WHO DESIRE TO PETITION AGAINST UNDERTAKING THE ABOVE WORKS, MUST DO SO IN WRITING ADDRESSED TO THE UNDERSIGNED, ON OR BEFORE THE 16th DAY OF AUGUST 1972.

CROSSTOWN MOTOR CITY

An open letter from Zane Feldman, President

It has been a pleasure to serve the motoring public during the last 18 years. We are particularly proud today, of the unusual sales and service facilities which we are able to offer.

We can only pledge ourselves once again to the same Quality Controlled service which we have maintained in the past, and assure you that because our customers keep us first we will work with our staff experts to continue bringing you the best possible service available.

Every August it has been the tradition of Crosstown Motor City to offer our many customers year-end savings on our complete line of 1972 Chrysler products. It's not Coincidence, it's tradition.

MANAGERESS -- MRS. JEANNE ROUSE

Nolte - Kennett Nuptial

By Rose Martel

St. John the Baptist R.C. Church in Morinville was the scene of a pretty summer double-ring wedding ceremony, on July 22, when Miss Rose Mary Nolte, only daughter of Mr. and Mrs. Joseph Nolte of Morinville, and Mr. Neil Kennett, of Westlock, son of Mr. and Mrs. Frank Kennett, were united in marriage by Rev. Ubaldo Duchesneau, O.M.I.

Given in marriage by her father, the charming bride chose a model gown of satin crepe and French lace, featuring fitted lace bodice, round neckline, long lace sleeves, A-line skirt and a cathedral lace train from the waist of her gown over the satin skirt. Her short bouffant net scalloped veil was held by a coronet of tiny satin blooms. She carried a cascade bouquet of red roses.

Her two attendants, Miss Denise Taillefer and Miss Lorraine Bokenfroh, wore gowns of satin crepe in carnation pink, trimmed with lace, and interlaced with pink satin ribbons. Both gowns featured fitted waists, full skirts, round necklines and short puffed sleeves. White accessories complemented the white lace trim and nosegays of roses and carnations were carried by the bridesmaids.

Mr. Joseph Nolte Jr., brother of the bride, was best man and the other groom attendant was Mr. Gary Bowling of Devon. Mrs. Bertha Kennedy was organist during the ceremony and Mrs. Muriel Krauskopf was soloist.

For her daughter's wedding, Mrs. Nolte chose a pastel green peau de soie model dress with matching

brocade coat, beige accessories and yellow roses on corsage. Mrs. Kennett chose a pink brocade dress and white accessories with white roses on corsage.

A reception and wedding banquet for 150 was held at Club Mocombo with Dr. Georges Cathcart as master of ceremonies. Mr. Frank Nolte, brother of the bride proposed the toast to the bridal pair. For her wedding trip to R.C. the bride changed into a pastel blue fortrel dress with white accessories. Mr. and Mrs. Neil Kennett will establish their home on their own dairy farm in Leduc.

Mr. Gordon Rees of 8 Gretna Place, St. Albert was declared overall champion in the Export 'A' Kings Beard-Growing Contest on the final evening of Edmonton Klondike Days. Mr. Rees, retired insurance agent, won out over nine other finalists in the annual competition. Mr. Rees was presented with the Export 'A' Kings Grand Champion Beard-Growing Trophy by the 1972 Klondike Kate and \$125 was presented by Ron Chapman, general manager of the Edmonton Klondike Days Association. The Beard-Growing contest in honor of early Klondike tradition, is now in its seventh year.

New teen group plans dance to raise funds

By St. Albert Youth
A group of St. Albert teen-agers who call themselves SAY (St. Albert Youth) are planning to hold a dance for teens on Friday, August 11. To hold this dance SAY would appreciate donations to help them pay hall rentals and other expenses.

With the profits realized from this event, SAY plans to initiate other functions, such as an employment booth and local projects of interest to both youths and adults all-year-round.

At this time, these teens are having problems paying their expenses and donations are urgently required. Anyone willing to help this cause please call 599-6875 and ask

for Wendy anytime between 8 a.m. to 5 p.m. and again at 7 p.m.

The film which was recently made by this group surveying the needs of people in regards to recreational facilities will be shown in the near future for the purpose of obtaining public opinion and greater involvement of people in their own affairs.

"Sure, I'd like to have children someday," said the young college man, "but I wouldn't want to be -- well, you know -- a parent."

People seem to be greatly interested in the higher things of life -- taxes and food, especially.

1878 Editors Had A Price

Notices of deaths, unless accompanied by a special fee, will be restricted to two lines and a half, but an enclosed five-dollar bill (silver taken at a discount) will ensure a double-headed,

SANTA IS ALIVE AND WELL

Walter East, 77 year old retired railroader lives in St. James, Manitoba. He showed The Gazette staff what a Chilkoot Beard looks like. According to Mr. East, winner of the contest last year with his Klondike Beard (uncut) says he lost out in this year's contest because he was wearing a Chilkoot and lost to St. Albert's champion, Gordon Rees. Mr. East and wife Mary visited here with son Ernest of 66 Garden Crescent.

Lions Park in St. Albert was indeed a grand place to be in Wednesday evening when the weatherman greeted the Saskatoon Lions Band and majorettes at a concert where an estimated 300 spectators were present. The concert was excellent, the lovely majorettes performed flawlessly and the weather was ideal for a great outing. Left foreground is Lion Harry Hutchings seen introducing the members of the band and young majorettes to the crowd of spectators. Mr. Hutchings was largely responsible for making the arrangements and having the noted band perform here.

the dear remains as would bring tears to the eyes of a Dromedary.

Devoted St. Albert Coach Doug Millroy Gets Award

Doug Millroy, who's mentioned whenever sport is talked about in St. Albert, has been honored by the Canadian Federation of Amateur Baseball for outstanding service to the sport.

DOUG MILLROY

Doug Millroy of 65 Sunset Blvd. is one of 30 northern and central Alberta residents awarded Scrolls of Merit by the Federation. The dedication of the recipients, say the scrolls, has "contributed to the advancement of this great sport and to the physical and mental development of Canadian youth."

There's no one in St. Albert, friend or adversary, who will quarrel with Millroy's selection. He is probably the most dedicated sports enthusiast in town—just ask any of the hundreds of kids he's coached.

He's been coaching baseball since the Lions got into

the sport in 1968 when he had the Pirates in the Beaver division. They won the championship the first two years.

In 1969, when there was baseball only for boys under 12, he talked the fire department into donating \$100 for equipment and started a four-team bantam boys 13 to 15 league. He, coaching one of the bantam teams as well as the Pirates. He also umpired.

The next year the Lions took over the bantam operation and Millroy handled only the Pirates. Last year he took on the Pirates and the Bantam Cubs, the latter winning the Doug Millroy Trophy as town champions -- a feat the Cubs repeated this year.

He doesn't coach because of any feeling of public service. He does it because he likes working with kids.

"They can give you fits, but they also give you a lot of lifts," he said.

Doug has some detractors, "he stacks his teams" or "he's hard on the kids," are the usual lines. But the kids who play for him -- and their parents -- are unanimous: Doug Millroy is one heck of a good coach, and they all like and respect him.

Additionally, he's never stacked a team.

He is hard on the kids; no other team in St. Albert has more games and practices in a year than Mill-

roy's. He works the boys hard and he produces winners. He also develops the boys into ballplayers and sportsmen, and that's the name of the game.

Millroy is also active in hockey, last year coaching the St. Albert representative bantam team. The club, which played in a league with Fort Saskatchewan, Barhead and Westlock, won only two games and lost 22. Millroy considers that his most rewarding year in coaching because of the spirit of the team and the development of some of the players.

No one knows how many hours Millroy has put into sport in this town or how much money he's spent driving the boys about, but he doesn't care about any of that. He likes working with kids and the scroll goes to a most deserving sportsman.

As a footnote, perhaps his wife Thora should be awarded a citation too as it isn't easy to be a "baseball widow" during the summer months. She nevertheless manages to put up with the situation and today she can rightly claim a share of Doug's award.

ST. ALBERT RECREATION

SWIMMING:

Many people who were on holiday during the time of registration for swimming lessons have now returned and if they're lucky - and quick - they may find it possible to register for lessons during the two-week session starting on Monday, August 14. Please enquire at the pool. At the time of writing there are openings in the following classes:-- junior, intermediate, senior mother and pre-schooler and diving.

Scuba diving equipment is allowed in the pool on Sunday evenings from 8 - 9 p.m.

The pool staff is planning a water show for Sunday, August 13. It will be held from 1 - 3 p.m. and the swimming schedule for that day will have to be adjusted. More details will be published in next week's Gazette and watch for the ad-

The St. Albert Debs were the winners Sunday of the ladies' fastball tourney held in Wetaskiwin. They defeated the Denham Mavericks in the final game. The winners and their coaches are shown with the Laatt Challenge Trophy and each with her own replica: Back row, left to right, Elmer Ebbrecht, coach; Carole Ebbrecht, Susie Baulch, Betty Diamond, Judy Bischoff, Yvonne Hemmeryck and Terry Polleason, coach. Front row, left to right, Linda Polleason, Iris Wright, Adrian Franklanich, Merna Ferry and Nataka Flynn.

Sailfish Hit Hard Swimmers In Edson

The most exciting swim meet so far this season was held Saturday in Edson. Six teams competed for the Edson trophy but the real battle was between the two largest clubs, the Edson Aquanauts and the St. Albert Sailfish.

From the very beginning the lead alternated between the two clubs until the completion of the individual events. Then the relay teams showed their strength and St. Albert gradually crept into the lead. At the completion of 64 events the standings were: St. Albert - 285, Edson - 252, Fort Saskatchewan - 129, Hinton - 114, Drayton Valley - 78, Niton 17.

The Niton Swim Club is a new group. They swim in a portable pool and the 15 members have been train-

ing as a team for only three weeks. They were very pleased that they were able to win any points at all.

The Sailfish are looking forward to next weekend when they will take part in a two day meet at Barhead which will include water polo and diving competitions as

well as races. Also planned are a barbecue and dance for the swimmers.

Loss at Widewater could cost Cubs playdown

St. Albert Cubs bantam baseball team, St. Albert's lone representative left alive in provincial playoffs, received a severe jolt in Widewater Sunday afternoon when they lost 9 - 4 to the Slave Lake area representatives.

The loss came in the first game of a double-header and although Cubs came back with a 9 - 3 win in the second game, the damage could be done. The second game will only count if one game of the double-header scheduled for 1:30 Sunday afternoon on the Mission Park diamond is rained out.

If a total rain-out occurs this Sunday, the best-of-three series will revert to a sudden-death affair with Widewater taking the series on the strength of the open-

ing game win.

Cubs wasted little time digging themselves into a hole Sunday, putting Widewater's lead-off batter on base with a walk, allowing him to advance on an error and score on a passed ball.

But the big damage didn't come until the third inning when Widewater got its first batter on base via the walk route and Cubs threw in a couple of quick errors. A single, a double and another error and four runs were in, and Terry Leddy came on in relief of starter Cletus Gagnon.

Widewater pushed across two more unearned runs in the fourth inning before getting a little generous to Cubs, who scored three runs in the fifth, inning without benefit of a hit. They narrowed the count to 7 - 4 in the sixth but Widewater wrapped it up with two insurance runs in the bottom half of the inning.

Cubs just didn't have anything to offer at the plate in this game, Mike Mitchell

getting their only hit, a drive through the infield. They only put one man on base over the first three innings and that was through an error.

Widewater only collected six hits, but they usually came after Cubs errors to produce runs.

The second game, a close 4 - 3 for five innings, had little to offer in the way of excitement other than Allan Musto's pitching performance. Musto limited Widewater to four hits and although he walked six batters he was seldom in serious difficulty, two of the runs against him coming from outfield throwing errors.

Cubs came up with nine hits in this game, Terry Leddy the only one to collect two. They scored at least one run in every inning but the fourth, and except for some sloppy base-running would have easily added to their total.

Cubs made the 360 mile round trip in the Kinsmen bus.

Edmonton Cardinals win Vimy tourney

By D. Provencal

The Vimy Baseball Club hosted a competitive two-day tournament on July 22 - 23 in spite of inclement weather conditions.

In the opening game Bon Accord defeated Morinville by a score of 16 - 4. Edmonton Cardinals defeated Westlock 1 - 0. Slave Lake lost to Redwater 1 - 7. In the final game of the day Vimy defeated Legal 5 - 2.

On the second day Bon Accord faced the Edmonton Cardinals in the first semi-final and were defeated by a score of 2 - 8. The second semi-final saw Vimy defeated by Redwater 5 - 13. The tournament ended when in the final game the Edmonton Cardinals won over Redwater 21 - 19.

A special thank-you is extended by the Ball Club to all who attended and to all the ladies who donated their time and helped out in the concession booth.

C.J.D. Eliminates Chiefs From Playoffs

CJD A-1 eliminated the Calahoo Chiefs from the Sturgeon Fastball League playoffs with a 3 - 0 win Monday night in St. Albert. CJD won the best of three semi-finals two games to one. In the opener CJD took a close 5 - 4 win while last Wednesday Calahoo came up with a 5 - 1 win at home.

In the game at Calahoo the Chiefs jumped on starter Tom Reed for four runs with Larry Mitchell hitting two homers and Mel Elsner one. Arlie Stevenson took the win to even up the series.

Monday night's game CJD scored two runs in the first inning on doubles by Dan Roberge and Brian Zamiskir and a single by Dick Bird. Bird was also hot on the mound, recording 13 strike-outs.

Calahoo threatened in the sixth getting the bases loaded and only one out. Some fine fielding play out down the runner at home and Mitchell struck out to end the inning. Arlie Stevenson took the loss.

Narrow souled people are a lot like narrow necked bottles -- the fewer they have in them, the more noise they make in unloading.

Chiefs Win Stony Tourney

The Calahoo Chiefs came up with three home-runs in the final game to defeat Stony Plain Playboys 5 - 5 and capture B event of the annual Stony fastball tournament.

Both teams went into the final a little tired, having already played four games. Stony took advantage of some Calahoo infield errors and scored two runs in the first inning.

The Chiefs tied the game in the second when catcher Mel Elsner hit a home-run with Gail Refshauge on base with a single.

Playboys went ahead 5 - 2 on a single and two consecutive home-runs. Calahoo

starter Mike Hampel moved into right field and Arlie Stevenson took the mound. In the final four innings, Stevenson allowed only three scattered singles and no more runs.

Calahoo scored twice in the fourth when Stevenson doubled to score Stubb and Sneaky Berube who had doubled and walked.

In the fifth, lead-off batter Larry Mitchell drilled the first pitch over the right fielder's head to tie the game 5 - 5. Refshauge and Elsner both singled and came home on Mike Hampel's home-run into right field, giving Calahoo an 8 - 5 win.

Stubb Berube had a perfect 3 for 3 performance at the plate and also came up with three or four superb catches in left field. In earlier games Calahoo defeated Onaway 2 - 3 with Gary Atchison getting the win. Larry Mitchell had a home-run for the winner.

In a five inning contest Calahoo scored 10 runs in the second inning to defeat Britannia Youngstown 14 - 2.

The Chiefs only loss came in their first game when they lost 1 - 0 to the University. Recreation director for the MD of Sturgeon, Carl Roy-an hit a home-run in the third for the only run. Chiefs had runners on third five times but couldn't score.

World In Review

Some people might think that investors . . . those people with capital . . . enjoyed the largest increases in earnings in recent years. Not true. The latest data, according to the Department of National Revenue reveals that income from investments were the lowest of 27 occupation categories. Real estate entrepreneurs headed the list for largest gains, next were dentists, teachers, professors, accountants and federal government employees, followed by doctors and lawyers, in that order.

The Alberta Minister of Manpower and Labour, Dr. Bert Hohol, chairman of the Legislative Committee reviewing the Alberta Workmen's Compensation Act is now accepting briefs at Room 423 Legislative Building, Edmonton. Submissions

Hon. Horst A. Schmid, minister of culture, youth and recreation will form part of the team travelling to Munich August 23 where Edmonton will make its final stand in its bid for the 1978 Commonwealth Games. He will accompany Mayor Ivor Dent, Edmonton City aldermen and a host of other dignitaries.

APPOINTMENT

IVAN E. VERSTRAETE

Mr. B. L. Montpetit, President and General Manager of Belmont Development and Realty Ltd., is pleased to announce the appointment of Mr. Ivan E. Verstraete to his sales staff.

Mr. Verstraete comes to Belmont with previous sales and real estate experience and takes this opportunity to invite his friends to consult him on any real estate matters.

Ivan can be contacted at 599-7786 or 599-5640 anytime.

must be received no later than August 28.

The Canada Post Office will be marketing scenic, pre-stamped postcards called "Canada Cards". Postmaster General Jean Pierre Cote announced recently. The Alberta series include color promotional views of Moraine Lake, Jasper National Park, farming in the foothills and other areas of tourist interest in Alberta.

Reports submitted recently to the weed control

branch of the Alberta Department of Agriculture indicate that farmers in the Peace River area are switching from sodium chloride to amilor 'T' to control quackgrass in their grass seed crops. Amilor 'T' is proving to be more effective and cheaper than sodium chloride.

The Bank of Nova Scotia will soon join Charge, the charge card plan now operated by four chartered banks. In a joint announcement released this week, top officials of the five banks revealed that agreement has been reached.

Data appearing in the

newly-released 1972 edition of the Canadian Consumer Credit Factbook show that the proportion of jobs occupied by women in 1970 had increased over 1951 by 667,000. The increase in the female labour force comes to nine per cent in non-agricultural employment while in agricultural jobs, the female increase there is five per cent. On the other end of the scale, statistics show a decrease of male participation in the labour force during the same period from 83 per cent down now to 76 per cent.

Dislikes Cartoon

The Editor:

As a member of SAY (St. Albert Youth) working with the Preventive Social Services on the film, I believe your recent cartoon depicting our group was a misrepresentation.

The whole purpose of our group was not to find out "What is lacking in St. Albert," but to learn what IS in St. Albert, and how it could be used to its fullest advantage by the youth of our town.

I feel if Mr. Limoges had taken the time to come and view this project in action, he would have found the whole idea much less humorous. If he is interested in reading a serious article on this particular project he might look in the Edmonton Journal of Monday the 24th, on page 17. I'm sure he will find there was no reason to be on the defensive as he appeared to be, because we're proud of our town.

"Waste Not - Want Not"

Separation of garbage in the home, landfillsites, used car bodies and bottle disposal are among major recommendations contained in the report just released by the Task Committee on solid waste management. . . It has been forwarded to bodies charged with implementing the recommendations.

One of these bodies is the individual citizen himself. Citizens are being asked to give serious consideration, along with municipal gov-

ernments to the possibilities of segregating household garbage right in the home. The intent of this suggestion is to initiate a process whereby the "throw-away cult" is disbanded and recycling and preservation of our finite economic resources is greatly increased. Four classifications emphasized for separation are metals, glass, paper and food wastes.

The majority of the recommendations are directed

towards government, primarily provided, with emphasis on educational programs.

Sanitary landfill disposal systems have been examined and the committee has recommended extensive research be undertaken to ascertain the long term affects of the landfill process. At the same time, the committee feels that better "public relations" and development of several concrete examples of parks

developed on landfill sites, would overcome many of the problems now encountered by municipalities.

The largest series of recommendations are aimed at removing derelict and abandoned autos to recycling plants. Included in the scheme would be a disposal tax assessed against every registered vehicle in the province. The fund from this tax would operate a year round disposal program that would keep derelict cars moving to recycling plants instead of piling up in backyards, etc. There would be

a "finder's fee" as well as transportation grants for each municipality to assist in the clean up process - the finder's fee would be passed on to individuals who wished to go out and get these old hulks and would also be given to people who turned in their own car to the holding grounds instead of leaving it in some ditch or on some old car lot. Present operators of junk car yards also received the committee's attention -- these people could and should do more about keeping their premises more sightly as well

as moving more of their old hulks to the recycling plants.

Other ideas to come out of the committee's work was requiring the soft drink industry to use an "all-tin" or "all-aluminum" pop can and a "standardized" pop bottle such as is the case in the beer industry.

As the young mother tucked her four year old son into bed after a particularly trying day, she sighed: "Well, I've certainly worked from sonup to sundown."

MR. & MRS. H. BAUWENS

By Rose Martel

Recently Mr. and Mrs. Herman Bauwens of Morinville celebrated their silver wedding anniversary with an evening mass in St. John the Baptist Church, celebrated by Rev. G. H. Primeau, pastor, and the renewal of marriage vows, witnessed by their children, and a congregation of relatives and friends, from Morinville, Legal and Edmonton.

During the service Mrs. Muriel Krauskopf was soloist and Miss Carmen Bois-souault was organist. A social evening followed in the Morinville Centre for some 250 guests, with Mr. Peter Gibeault as master of ceremonies. During the evening entertainment was provided by their son Raymond and Keith Vion, son of Mr. and Mrs. August Vion. During the formal presentations, their eldest daughter, Mrs. Paulette Bussey, presented the parents with a lovely wallclock on behalf of the four children, her only brother Raymond, and two sisters, Elaine and Darlene all at home. A purse was also presented to the happy couple on behalf of relatives and friends.

Mr. Walter Van de Walle, reeve of the MD of Sturgeon, congratulated the couple on behalf of the resi-

dents of the district. Mr. Eugene Caron, a life-long friend of the couple and neighbor, also addressed the gathering, and expressed good wishes. Mr. Herman Bauwens, replied with a few well chosen words of thanks. Seated at the head table, at the midnight supper, were Mr. and Mrs. Bauwens, accompanied by two of the original attendants of 25 years ago, Mrs. Therese (Tullie) Fraser of Westlock, one of the bridesmaids, and also one of the groom's attendants, Mr. Jean-Marie Teulie, brother and sister of the bride. Madame Madeleine Bauwens, mother of Mr. Bauwens, Mr. and Mrs. Noel Tullie of Legal, parents of Mrs. Bauwens, their attendants and children, also their one grandchild, Todd Bussey, son of Mr. and Mrs. Norman Bussey of Edmonton.

For the occasion Mrs. Bauwens was charming in a white broadened white frock dress with silver accessories, and a corsage of red roses.

It was with regret that Mrs. Adrienne (Montpetit) Brosseau of Bonnyville, one of Mrs. Bauwens' bridesmaids of 25 years ago was unable to attend as well as Mr. Julian Bauwens, only brother of the groom, and best man, was also absent.

Laframboise-Keane united in Legal church ceremony

In an afternoon ceremony held recently at St. Emile Church in Legal, Miss Marie Rita Laframboise was married to Thomas Michael Keane. The bride is the daughter of Mr. and Mrs. Olivier Laframboise of Legal and the groom is the son of Mr. and Mrs. Joseph Keane of New Castle, New Brunswick.

The marriage ceremony was performed by Father Paul Kingston, a relative of the groom. Scripture readings were given by Dixon Keane. The wedding music was provided by Mrs. Mickie Stapleton, Vocalists Mrs. Rogelle Pelletier and Mrs. Dolores Brisson sang two beautiful hymns accompanying themselves on the guitar.

Coming down the aisle with her parents, the bride looked beautiful in a long gown of white nylon organza, featuring its own train, a full skirt trimmed with lace and full sleeves. The dainty bodice was trimmed with lace and sequins. Her waist-length hair was covered with a bouffant veil held in place by a rhinestone tiara. The bride carried a cascade bouquet of red roses.

The bride's attendants were matron of honor, Mrs. Helen St. Louis; and bridesmaids Rita Laframboise and Bernice Mercier. Petite Lynn Turner a niece of the bride was flower girl. The girls were lovely in identical short hot pink jumpsuits featuring hoods and detachable pink and blue floral floor length skirts. They carried white carnations mixed with mauve lilies of the valley.

Attending the groom were Andy St. Louis, Jim Keane-cousin of the groom from New Castle, N.B., and Martin Montpetit, Robert Brost

was ringbearer. Ushering in the guests were Denis Laframboise and Patrick Keane.

Following the ceremony a reception for some 200 guests was held at the Legal Community Hall. Baskets of pink and white mums and a beautiful tiered cake decorated by Mrs. Mienczinger from Busby graced the banquet table. Mr. Marcel Bergevin acted as master of ceremonies for the occasion. Toast to the bride was proposed by Laurier Regimbald an uncle of the bride and the groom replied most capably. A telegram of congratulations was received from Roland Laframboise employed at Baker's Lake, Northern Manitoba, the only one of the bride's 11 brothers and sisters unable to attend. Eighty-three year old Mrs. A. Caron a long-time friend of the family and Art Croft entertained following the banquet. Some 300 friends and relatives gathered in the evening for refreshments and dance.

Mrs. Laframboise received her guests in a hot pink crimped dress with matching lace coat. She wore roses and carnations encourage. Mrs. Keane looked lovely in a deep turquoise dress and coat ensemble and red roses on corsage.

The couple honeymooned in the area before leaving to make their home in Gander, Newfoundland, where Tom is stationed with the Canadian Navy. For her going away outfit Marie chose a white sailor blouse over navy blue bell bottom pants, trimmed with white buttons. She wore pink carnations on corsage.

Out of town guests included the groom's parents Mr. and Mrs. Joseph Keane, Jim Keane, and Mrs. Harvey

Boudreau from New Castle, N.B., the groom's sister Mrs. Daryl Connell from Moncton, N.B., Mr. and Mrs. Art Croft and Miss Colleen

Duffy, Chatham, N.B., Miss Marie Blanchette, Trail, B.C., Miss Heather Jodel and - Mr. and Mrs. Andy White from Calgary.

Applicants will be interviewed between 7 p.m. and 9 p.m. in the TOWN OFFICE on WEDNESDAY, AUGUST 9, 1972

PAUL E. BROCHU,
Municipal Secretary,
Morinville, Alberta.

Legal Schools plan opening September 5

September 1 (Friday) has been declared a holiday by the school board. School will therefore open on Sept. 5 (Tuesday). Buses will collect pupils at the usual time on the morning of September 5. It is important that all students be present during the morning of that day. Students will be dismissed at 11:45 on September 5, and buses will run at that time. The afternoon will be a non-instructional half-day devoted to organization, and only the teachers will be at school.

Residents of the area are asked to phone the principal (598-2257 or 598-3791) or Mrs. Regimbald, secretary of the district (598-2413), if they know of any families with children of school age who have moved into the Legal attendance area recently. All new students should register as early as possible in August.

Leddy Avenue Named After Hardy Pioneer

Here are the three generations of Leddys standing at the corner of Leddy Avenue and Larose Drive. Looking west of this intersection is the property line of the old Leddy homestead. Left to right Terry, Jim, Martin and Gary.

Rupert's Land Swapped For Beaver And Elk

Charles 11 of England signed a charter, May 2, 1670, granting to his first cousin Prince Rupert and his friends vast areas in America to be known as Rupert's Land. Thus the "Gentlemen Adventurers of England trading into Hudson's Bay" received a rich monopoly, how rich no one then judged. Rupert's Land included the whole north of Labrador to the Rocky Mountains, where Winnipeg and Edmonton were some day to flourish, and beyond that territory even further north.

For this rich gift, Charles demanded nothing. True the monarch looked for a passage to Asia and his courtiers dreamed of pre-

cious gold, silver and gems, but there was no thought of settling the area, or of religious conversions.

Charles asked only tribute, that on his sejour in Rupert's Land he be presented with "two black elks and two black beavers." Creatures so rare were almost never found. Nor did King Charles' visit ever materialize.

However, history made everything right when King George VI and Queen Elizabeth, touring Canada in 1939, were presented with the fine skins, thus fulfilling the terms of the original charter.

CNIB NEEDS !!!

Do you have time on your hands? The Canadian National Institute for the Blind can utilize your time and talents to help people.

Since the CNIB was founded in 1918, volunteers have played a major and important role in providing services for the registered blind.

There are many different volunteer areas. For example: reading to the blind, driving blind people to appointments, visiting with the blind, Brailleing, helping with recreation programs and taking pictures of CNIB events to mention only a few.

If you are interested in doing volunteer work for the CNIB, phone 488-4871 Mondays through Fridays from 8:30 a.m. till 4:30 p.m.

Leddy Avenue, the last traffic artery at the northern extremity of Lacombe Park subdivision was named after a hardy pioneer of St. Albert who broke land here a long time ago.

Paul Leddy born in the States in 1865 arrived in St. Albert in 1904 with six children. His wife passed away the previous year and the hardy pioneer came to the banks of the Sturgeon with his little family and settled on land located about six miles West of the present townsite.

Employed as a teamster, logger, road builder and farmer, Paul Leddy managed to eke out a living like most of the pioneers of the times. In 1908 death claimed his twin sons when they were only seven years of age, reducing the family down to four children.

One of the surviving four children remained in St. Albert. He's Martin Leddy, hale and hearty at 77 and enjoying complete retirement. Martin's prime occupation in recent years is visiting with his four children, Irene, Raymond, Trudy and Jim. Both Trudy and Jim live in St. Albert. Mrs. Harold Doering (Trudy), lives at 84 Gordon Crescent while Jim's home is at 109 Grosvenor Blvd. Jim is determined to keep the noted family name in St. Albert and has two sons to insure him of that.

The third generation of Leddys in St. Albert is now the lot of Jim, his wife Lavina and their two sons

Terry 13, Gary 12 and daughter Cathy 9. When the senior member of the Leddy is not travelling to visit his other children, he lives with son Jim.

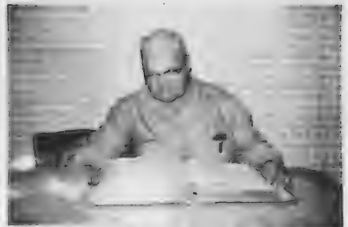

Library Adds New Titles To Magazine Rack

The St. Albert Public Library will be a busier place this fall for many reasons but one of the main ones will be the expanded number of magazines available there.

New titles on the magazine rack will include Beaver, Canadian Consumer, Chateleine, Hockey News, Life, McLeans, Motor Trend, Outdoor Life, Saturday Night, Seventeen, and Sports Illustrated.

The library will continue to receive Alberta Business Journal, Atlantic, Better Homes and Gardens, Ceramics, Consumer Reports, Field and Stream, House Beautiful, Horizon, Modern Needlecraft, Nature Canada, National Geographic, Parents, Popular Mechanics, Psychology Today and Time. For younger readers the library gets Highlights, Humpty Dumpty, Mad, and Young World. So there will always be something new to read for all ages and tastes at the St. Albert Public Library.

Reminder: It's time to renew (or begin) your membership in the Library. Membership fees are \$1 a person a year or \$2 a family a year. Drop in soon and pick up a magazine or two!

Martin Leddy, 77 year old citizen of St. Albert after whose father Leddy Avenue was named. Mr. Leddy lives with his son Jim and family at 109 Grosvenor Blvd. when not visiting his other children. He is shown here looking through the family bible in which is recorded the entire Leddy family tree from 1865.

The "Devil Drivers" Of 1882

an almanac by Lena Newman

"If you must preach go to Market Square," said the London, Ontario Chief of Police in May, 1882 as 19 year old Jack Addie and Joe Lugdate started the first open-air Salvation Army meeting in Canada. Market Square is still the Army's spot in London.

The evangelists were called "The Devil Drivers," "The Death and Glory Girls," "Capt. Happy and His Hallelujah Wife" and "Captain Glory," as they visited other provinces. On April 19, 1885 their message was "General Booth sent us to fish on the Hallelujah line. In the taverns, theatres and gambling dens we will catch some drunkard in Saint John, N.B."

In 1886, a wire from Winnipeg to Toronto headquarters said "Send more officers. Thermometer 30 degrees below, Salvation belling over. The whole North West a blaze of salvation."

On June 25, 1898, Salvationists covered the hazardous 548 miles from Skagway over the Chilkoot Pass to Dawson City where the rough prospectors contributed gold dust and nuggets.

The end of the century saw the Salvation Army from remote Newfoundland outposts to British Columbia.

When the Salvation Army with Captain Abbie Thompson, came to Kingston in 1883, this verse appeared

Newcomers

We welcome the following to St. Albert:

Mr. and Mrs. B. Johnson and family; Mr. and Mrs. T. Good; Mr. and Mrs. G. Blerot and family; Mr. and Mrs. W. Bottomley and family of Lacombe Park.

Mr. and Mrs. J. Gielins and family; Mr. and Mrs. M. McKean and family; Mr. and Mrs. L. Mix of Ridgewood Terrace.

Mr. and Mrs. E. Mercier and family; Mr. and Mrs. J. Heemeryck and family; Mr. and Mrs. R. Bogaert and family; Mr. and Mrs. A. Oullette of Grandin Park.

Mr. and Mrs. H. Puffer and family; Mr. and Mrs. E. Donald of Forest Lawn.

Mr. and Mrs. K. Crump of Sturgeon Heights; and Mr. and Mrs. R. Ethier and family; Mr. and Mrs. S. Simpson and family; Mr. and Mrs. S. Berard and family of Braeside.

In the Weekly British Whig: The army came to Kingston To beat the devil down, And great was the excitement

It started in the town, With praying and with singing, And marching in the street, And banners floating in the wind

While drums did loudly beat 'Planting the Mal' was one of the happier customs of

New France. Always eager for merriment and gaiety, the habitants placed a tree on the first day of May at the house of the Seigneur or Captain of Militia. Many voyageurs had returned from a winter's trading, loggers were back from the woods, and farmers welcomed the spring. All joined in trimming a tall tree so that only a little greenery remained at the top. Festooned with garlands, this was put into place with song, music and dancing. Musicians were fired amidst cheers. Wine was passed and passed again. If the rougher men indulged in crude horseplay and tomfoolery, it was overlooked and they, too, were invited to a breakfast as grand as the seigneur or captain was able to provide.

ATTENTION SENIOR CITIZENS SHELTER ASSISTANCE PROGRAM

IF YOU ARE AGE 65 OR OVER AND RESIDE IN ALBERTA IN 1972, YOU MAY BE ELIGIBLE TO CLAIM ONE OF THE FOLLOWING:

• RENTER ASSISTANCE

\$50 Assistance (Renter)

A flat grant of \$50 for the year if the applicant rents living accommodation as a normal place of residence in a building that is subject to the imposition of taxes to meet the Provincial School Levy or leases a municipally-licensed mobile unit and occupies it as his normal place of residence.

Applications

Applications must be made to any office of the Department of Municipal Affairs located as follows: Edmonton, Calgary, Hanna, Medicine Hat, Drumheller, Rocky Mountain House, Westlock, Edson, Lac La Biche, Evansburg, Valleyview, High Prairie, Spirit River, Peace River, High Level, Bonnyville, Lethbridge, Grande Prairie, Wainwright, and Red Deer. In addition, any Treasury Branch, Treasury Branch Agency, or local taxing authority can supply application forms but may not accept applications.

• HOMEOWNER ASSISTANCE

If you have resided in your own home for more than 120 days and are otherwise eligible to receive a Homeowners Tax Discount:

When a School Tax is Levied

either a) Tax Discount (Homeowner) Homeowners Tax Discount.

or b) Tax Abatement (Homeowner) The amount of the tax levied by your municipality to meet the Provincial School Foundation Program Requirement.

whichever is the greater

When a License Fee is Imposed

Reduced License Fee (Mobile Unit Homeowner Licensee) Either (a) or (b) as above whichever is the greater to reduce the Mobile Unit License Fee.

Applications

Ask your local taxing or licensing authority for information and application forms, if not already received

- All applicants except Mobile Unit Homeowner Licensees must apply for their assistance by December 31, 1972. Mobile Unit Homeowner Licensees have until December 31, 1973 to make their application.
- Renter Assistance does NOT apply to residence in Senior Citizen Lodges or Nursing Homes exempt from School Tax Levies.
- For homeowners under age 65, entitlement to the regular Homeowners Tax Discount continues as before.

DEPARTMENT OF MUNICIPAL AFFAIRS
 GOVERNMENT OF ALBERTA

Gary Kunz, 10 year old son of Mr. and Mrs. Frank Kunz of 12 Seymour Crescent, St. Albert, caught a strange looking Northern Pike recently in the Sturgeon River. Gary's fish, upon closer investigation, was shown to have a piece of covered wire protruding from his back. It would appear the fish grew around the wire and it has become part of him. Mr. Kunz told The Gazette he will keep the Pike in his freezer in case experts would like to view this odd specimen.

Newfoundland Students Bid Fond Farewell

The 25 Newfoundland Exchange Students, accompanied by Donald Clarke, principal of Templeton Collegiate, left St. Albert Thursday evening and boarded the train to return home at 1:55 a.m. Many deep friendships developed while the 25 Newfoundland students and the 24 St. Albert students visited one another's home towns. Parting last Thursday was quite tearful for most exchange students and many pledges were heard, "See you again soon . . . OK."

Mr. Ed Savile was again on deck to transport the Newfoundland contingent to the International Airport and so were many local students who drove to the airport to see their friend off and bid them an additional farewell.

Now that it's all over, the local travelling companions of the group, Bob and Lynda Heyworth, who have no family of their own, plan to take the rest of the summer holidays with relatives in B.C. "after spending the first 30 days of the summer holidays with quite a large family."

The Student Exchange Program is made possible through various local contributing agencies and the Federal Secretary-of-State Department, Ottawa, from which department the program receives a substantial grant designed to pay for air fare. In this particular instance, the federal grant for part of the air fare was close to \$5,000.00.

Gary Wescott, son of Mr. and Mrs. Norman Waunch of 40 Belmont Drive, St. Albert is a budding star entertainer headed for great things. He was given the name of "Wescott" by his manager and that's the name to watch for in the entertainment world soon.

Debunking The Day Care Mythology

A MOTHER'S PLACE IS IN THE HOME -- EVEN IF IT MEANS WELFARE

By Howard Clifford
Director Day Care Services
City of Edmonton

Research over the past few years does not support this view. Not only does research not show any advantage to children whose mothers remained in the home, there is also some suggestion that children of working mothers actually fare better than children of non-working mothers.

It is my opinion that mothers should have a choice between going to work and taking their chances on welfare. However, I would caution that welfare is not usually the best choice. A U.S. study, in which an unusual set of circumstances allowed the Intramural Research Division of Social and Rehabilitation Services to trace the welfare history from 1939 to 1966 of a community of about 250,000 population, found that children from welfare families had significantly more problems than children from families who did not receive assistance, and that the longer a family received assistance the more likely it was to have problems. Another major study in the U.S. showed that children from welfare families had greater psychiatric impairment than did children from low-income, non-welfare families.

Researchers are literally putting the lid on weeds competing with container grown ornamental plants. This is accomplished by slipping a slotted fiberglass disk approximately 1/2 inch thick around the plant in the container. The disk is nearly the same diameter as the container so that it fits inside the rim on the soil. These disks reduce weed growth by only 85 per cent as some weeds will still emerge around the edge of the disk. However, the labor saved in weeding justifies use of the disk.

The Saskatoon Lions Band gave an impressive concert here last Wednesday while they were participating in Edmonton's Klondike Days. The band and its bevy of majorettes entertained an estimated 300 people during their evening's program.

The Marian Pilgrimage at the St. Albert Roman Catholic Parish will be held this year on Sunday, August 20. Mass will be celebrated at the grotto located at the rear of the church on St. Vital Avenue at 11 a.m. Homily will be given by Alphonse Gaudet O.M.I. Confessions will be heard between 10 and 10:45 a.m. Marian hour and blessing of the sick at 2 p.m. For further information call 599-8691.

Western singer entertains at Walter party

On July 23, Mrs. Hannah Walter of Edmonton celebrated her 80th birthday at the Beverly Crest Motor Hotel with the family and close friends. She then spent the remaining part of the day at the home of a daughter, Mrs. Ronald Galloway.

Those present were her four sons and eight daughters: Mr. and Mrs. Weidrick Walter from Nanaimo,

B.C., Mr. and Mrs. Hugh Speer (Margaret) Edmonton; Mr. Albert Walter, Sundre, Alberta; Mr. and Mrs. Ken Martin (Anita) from Los Angeles, Calif., Mr. and Mrs. Ronald Galloway (Esther) Edmonton; Mr. and Mrs. Orville Walter, Edmonton; Mr. and Mrs. Marc Lalogue (Pearl), Pouce Coupe, B.C., Mrs. Sibyl Whalley from Toronto, Ontario, Mr. and

Mrs. Bob Walter, Fort Saskatchewan; Mr. and Mrs. Ray Treiber (Winie), Leduc; Mr. and Mrs. Bill Shackleton (Audrey), Calgary; Mrs. Bob Swall (Katherine), Vancouver.

Twenty-three grandchildren present with one married grand-daughter Mr. and Mrs. Don Kennedy (Faye) with their three sons of Sherwood Park; Mr. and Mrs. Theron Risa (Dorothy) the only "Walter" cousin of

Ophlem, Montana), with her mother Mrs. Beatrice Ackers.

Close friends present were Wilf Carter of Tampa, Florida; George Spears and Hector Simmons of Fort Saskatchewan.

Wilf Carter entertained in the afternoon with his famous western songs.

Very few people have ever carved their way to success by use of cutting remarks.

ITS NEVER TOO LATE!

MORINVILLE MEMOS

By Rose Martel

Congratulations to the Morinville Drum and Bugle Band who represented Morinville so well in the Edmonton Exhibition parade, and also headed the Legal parade last weekend. Another big sincere thank you to Mrs. Angela Gibeault, who took charge of the group with the assistance of Matt Teller, to welcome our local students home and their guests with a parade on July 27 in Morinville, on short notice.

Rev. Father G. H. Primeau took part in the consecration of our new bishop Rt. Rev. Raymond Roy, in St. Paul on Thursday, July 27th.

Last Sunday the infant daughter of Mr. and Mrs. Gilles Bourgeois was baptised by Rev. Father G. H. Primeau, with maternal grandparents, Mr. and Mrs. Andre Boddez as godparents. Danielle-Marie was born on July 21, 8 lbs, 3 oz, and was most welcomed home by brother Rhael.

Several families are still travelling, among them are Mr. and Mrs. Gustave Meunier accompanied by Mr. and Mrs. J. Chevigny, who are holidaying at Jack Fish Lake.

Mr. Leo Brochu, accompanied by Mr. and Mrs. Paul Poulin from St. Albert are travelling westward.

Mr. and Mrs. Romeo Froment, accompanied by Mrs. Jeannette Champagne are motoring to the west coast.

On July 29 some 92 local students finished basic Red Cross Supervised swimming courses sponsored by the Morinville Mother's Local,

who had to be congratulated for this yearly worthwhile community project. A hearty vote of thanks to Mr. Ulysis Fortier for his good supervision of all passengers, during the daily month-long trips to Victoria Pool in Edmonton.

On August 9 another tour will be held for the Golden Age group of Morinville. Departure by chartered bus from the Morinville Centre at 9 a.m. for Storyland Valley Zoo. Each senior citizen is expected to pay individual admission of 50 cents to the Zoo. All are invited to bring their lunch from home. Departure from Storyland Valley Zoo at 1 p.m. for Lion's Senior Citizens Rec. Centre. There is an afternoon program of entertainment and display of crafts on the agenda. Departure from the Lion's Senior Citizens Recreation Centre will be at 4:30 and home base should be reached in Morinville by 5:30 p.m. The usual house calls will be made to pick up citizens at the Charles Kieser residence and other localities if notified on time before bus departure time.

There will be another tour on August 23 for the senior citizens to the Sherritt-Gordon Industrial Plant in Fort Saskatchewan. More details will be given later on this tour. All those interested must register with Mrs. Kenny Delmasour as a limited number can only be accommodated.

The bingo recently held in the Morinville Centre was a partial success with 52 present. It is hoped that the misunderstanding which occurred on this occasion will not be repeated by the organizers.

It is now official, the outdoor activities which were postponed last June, during Frontier Daze celebrations, will definitely take place, weather permitting of course, ON SUNDAY, AUGUST 27th beginning at noon sharp. There will be a baseball tournament, demolition races, chariot races and a steak barbecue beginning at 5 p.m. The entire program will take place on the sports grounds. Plan a family Sunday outing in Morinville for the last Sunday before school begins on Monday, August 28th.

Congratulations to Mr. Laurent Rivet and his bride Miss Charlotte Borle who were married last Saturday evening in Morinville. Also to Mr. Paul Houle and his bride, Miss Marguerite Juneau of Beaumont, who were recently married. Mr. Andre Pelletier of Legal and Miss Theresa Morris, daughter of Mr. and Mrs. Georges Morris of Morinville, who were married on July 22. Last but by no means less sincere, congratulations to Bernard Meunier who will be married this weekend to Miss Ruth Schuster in Edmonton.

Congratulations to Miss Vivian Blackburn, daughter of Mr. and Mrs. Roger Blackburn, who passed all her tests in figure skating, after taking a demanding summer course at the Glenora rink in Edmonton. Miss Cynthia Robinson, daughter of Mr. and Mrs. R. Robinson of Morinville, was also successful in her first year's summer course.

The Morinville Senior baseball team won the Red-water baseball tournament, made a goodshowing at Vimy and scored in Legal on Sunday.

Mrs. Alice McDonald is recovering in hospital after major surgery. Mr. Arthur Demers is reported improving after a reported cardiac arrest suffered recently.

Mr. and Mrs. Fred Legge and family were recently holidaying in Calgary and Miette Hot Springs. Mrs. Yvonne Vranas and daughters are enjoying a two week holiday at Pine Lake.

On August 5 a family reunion of the children of the late J. N. Cote of Morinville will be held in Str

Winston Churchill resort in Lac La Biche. The entire family will be present, including Henry and family from the coast, and Eugene and family from Paris, France, as well as the girls from the States.

Mrs. Suzanne Mercier, accompanied by her daughter Gertrude and grandsons from Chicago, Illinois, were last weekend visitors at the home of Mr. and Mrs. Alphonse Trotter.

Last week several friends and former neighbors were happy to meet Mr. and Mrs. Charles Olivier and family from Fort McMurray.

Miss Carmen Boissonault and Miss Colette Tailleux both returned last Thursday from a six-week trip to Quebec and the Maritimes, on a cultural tour promoted by the French group of Alberta. They arrived on the same train as the local Student Exchange group.

Mrs. Vivianne Rousseau is also reported a patient in hospital.

Terry Woytkiv returned from a summer course in Drumheller.

On Friday evening, August 4th the Morinville Student Union of Morinville will host a teen dance in the Morinville Centre to entertain the visiting group from Quebec. The Shagmashers from Calgary will provide the music, and a good time is assured to all comers.

Whales and seals are the only mammals indigenous to Antarctica, the National Geographic Society says. Along with penguins and a few other species of birds, they inhabit only the fringe of the frozen continent.

Gibbons News

By Gladys Morin

Gibbons Senior Citizens are invited to attend a field trip to Storyland Valley Zoo and the Lions Senior Citizens Recreation Centre on August 8th.

The bus will be leaving from the Legion Hut at 9 a.m. in the morning and returning at 4:30 p.m. Lunch is available at the Storyland Valley Zoo but you may bring your own if you wish. Admission to the Zoo is 50¢. Those interested please phone Mr. Wilfred Oliver at 799-5838.

Now that holidays are here we have several visitors in our town: Mr. and Mrs. Herbert Frost Hunt, cousin of Dave Frost-Hunt of Gibbons are visitors from Sidney, Australia.

Palsey and Joe Morin have had the pleasure of a visit from her sister Stella Souliere, her husband Roger and son Wayne from Toronto. "Grannie Morin's" sister Mrs. Sadie Kienle from Valcon, Alberta came to be

present at her Great niece's wedding Mrs. Janice Graham which took place, Saturday, July 22.

A speedy recovery to Mrs. Diane Reddekopp after her recent operation.

Lady: "I want to buy an expensive pair of shoes." Clerk: "To go with what?" Lady: "A cheap husband."

PROPOSALS

Solicited for a Study into
the
Environmental Effects of Timber Harvesting

The Hon. Allan A. Warrack, P.A., Minister of Lands and Forests, wishes to obtain an assessment of the environmental effects of timber harvesting as it is presently practised on forest lands in the Foothills Section of the Boreal Forest Region and in the East Slope Rockies Section of the Sub-Alpine Forest Region of Alberta.

There are three areas of concern, each deserving specific investigation and analysis as part of this study. The three are: (1) timber harvesting patterns and procedures, (2) reforestation methods and results, (3) road systems. Each of the three areas should be examined by persons qualified to assess the effect that forest land management practices are having on the long term productivity and use of the land for timber production, watershed, wildlife and recreation. A final report containing the results of the study, with an assessment of present procedures and recommendations for improvement will be required by September 1, 1973.

The Government of Alberta is prepared to enter into a contract for the study with a group composed of qualified professionals with experience in timber production and forest economics, reforestation, watershed, wildlife and recreation; or with a consulting firm with access to such persons.

Proposals must be submitted by September 30, 1972 and anyone interested should contact the undersigned for further information.

R. G. Steele,
Director of Forestry,
Department of Lands and Forests,
Natural Resources Building,
Edmonton, Alberta.

GOVERNMENT OF
Alberta

Calahoo members join Drayton WI at Lake Isle

By Liz McLeod

On July 24 four members of Calahoo WI joined Drayton Valley WI in Mrs. Mary Burrows cottage at Lake Isle to enjoy their meeting prior to the wiener roast.

Six members of Drayton Valley WI came and Mary Daiheim, Madeline Brown, Elsa Lischewski and Liz McLeod, thoroughly enjoyed the day and played a game of lawn darts for the

first time.

The roll call was bring a dozen cookies and the recipe so members were busily writing out their favorites.

In order to be certain we were on the right road we stopped at a cottage owned by Mrs. L. Meters, only to find her son is married to Cliff Fowler's sister. It's a small world after all and Mrs. Meters is a wonderful person.

BISHOP ROY

Bishop Raymond Roy, 50, formerly of St. Boniface, Manitoba was installed July 27 as Bishop of the diocese of St. Paul, which includes Morinville. Bishop Roy was rector of St. Boniface Cathedral before becoming Canada's newest bishop following his episcopal ordination July 18. He succeeds Bishop Edmund Gagnon who has recently been named rector of the Canadian College in Rome.

Single Railroader Wins Fete Au Village 'Trip'

By Lucienne Montpetit

You only need one ticket to win says Bill Faulkner of 9540 - 109A Avenue, Edmonton who won the trip to Spain Sunday evening at the Fete Au Village draw. His lucky ticket was drawn by Mile - Fete Au Village 1972 (Margo Montpetit).

Bill is a single man of 26 years of age. He came to Edmonton from England three years ago and is now employed by the CNR. The winner had a "lucky break" by breaking his arm returning from work. He heard the Legal festivities broadcasted on the radio and decided to come and find out what this french community had to offer.

Bill was in Legal all day Saturday and returned to Edmonton only after the dance, enjoyed himself so much he came back Sunday and decided to go home around 10 o'clock to be awakened by a phone call at midnight telling him he was the winner of the Trip to Spain.

Bill chose to take the money and is gone visiting in the B.C. province.

Instead of the trip to Spain, draw winner at La Fete au Village in Legal Sunday accepted \$1,000.00. Above we see Leonard Foreade (left) handing the cheque to Bill Faulkner, happy winner who just decided to attend the two-day gala at Legal and came home with the big prize.

Funeral services held for Mrs. Flore Beauchamp

By Lucienne Montpetit

Funeral services were held for Mrs. Flore Beauchamp on July 24 at St. Emile's Church in St. The funeral mass was sung by Father Andre Desjardins from Vimy. Mrs. Beauchamp passed away at the age of 72 years.

She was born Flore Cyr on May 16, 1900 and married Denis Boisvert in 1918. Predeceased by her first husband many years ago she remarried Mr. Harvey Beauchamp in 1971.

She leaves to mourn three daughters, Mrs. Juliette Messier, Legal; Mrs. Elizabeth Demers, Seattle and Mrs. Jeannette Hukleberry, Sioux City, U.S.A., five brothers, Rene, Roger, Roland,

Lucien, Clement; one sister Mrs. Annette Bourassa, 16 grandchildren, 12 great grandchildren.

The pallbearers were Philippe Messier, Leonard Boisvert, Remi Cyr, Raymond Cyr, Frank Beauchamp and Paul Cyr.

Legal Plans Zoo Trip

The Legal Senior Citizens' trip to Storyland Valley Zoo, scheduled for Thursday, August 10 will leave Legal at 9 a.m., and expected time of arrival at the zoo is 10 a.m. Visitors will have until 1 p.m. to take-in the sights, eat lunch and rest before starting out for the Lion's Senior Citizens' Recreation Centre.

Departure from there will be at 4 p.m. All those planning to take part in this outing are advised that the price of admission to the zoo is 50 cents. Bring your own lunch or if you prefer lunch can be purchased at Storyland.

Bon Accord couple united in city wedding ceremony

Norwood United Church, Edmonton was the scene of a summer wedding on July 8th when Miss Linda Schneider and Mr. Don Zinnick, children of Mr. and Mrs. Archie Schneider and Mr. and Mrs. Frank Zinnick, all of Bon Accord were united in marriage by Rev. Harri-

son.

The bride, who was given in marriage by her father, wore a floor-length white gown featuring a lace-trimmed oval train and accented at the neck, empire waistline and sleeves with pearl trim and carried a bouquet of orange roses and white stephanotis. A woven crown held in place by Lillies of the valley completed the bridal ensemble.

Bridesmaids, Miss Donna Zinnick, Miss Barbara Hampshire and Miss Jean Zuech were identical gowns of apricot and floral sheer complimented with white floppy-brim hats trimmed with green velvet bands and carried baskets of white daisies. Flower girl, Miss Melanie Samis, cousin of the bride, wore a floor-length yellow-checked peasant dress and carried a basket of white daisies also.

Best man was Mr. Wally Mosychuk. Attendants were Mr. Dale Zinnick and Mr.

Dennis Schneider. Ushers were Mr. Don Rowsell and Mr. Hal Schneider.

The reception for 200 guests was held at the Wellington Park Community Centre. Master of ceremonies was Mr. Don Widynowski. The groom's uncle, Mr. Mike Biloway said grace. The toast to the bride was proposed by Mrs. Peter Billeck. A dance followed the reception.

The bride's mother chose a floor-length green chiffon gown with matching accessories and a pearl-studded tiara. The groom's mother wore a royal blue floor length gown with matching hat and accessories. Both mothers wore corsages of yellow Sweetheart roses. For her going away outfit the bride chose a yellow A-line dress with beige accessories.

The couple motored to Spokane returning by way of Kelowna for their honeymoon and will make their home in Edmonton.

Gibbons Council study local drainage plans

By Gladys Morin

The meeting was called to order at 7 p.m. by Mayor Holmes, Councillors Smith, Loblick, Morin, Oliver and Mrs. Ada McLean, assistant town secretary present.

A discussion on the water drainage and gravelling of roads was held to try and solve some of the problems due to the abundant rain we were having.

At 7:30, Associated Engineers and Mrs. Alward joined the meeting. The engineers submitted a brief on General Design Standards for Development by Private Developers. This brief was discussed with Mrs. Alward and her Revised Plan of the 1/4 section South of Gibbons to be developed. Meeting adjourned at 10:45 p.m.

BON ACCORD

by Sadie Allen

Now that the end of the school holidays is in sight, interest in play-school for 3 1/2 to 5 year olds is experiencing a revival. A meeting of those interested was held at the home of Mrs. Dee Knobbe on Tuesday, August 1st. If by chance you missed hearing of it and are anxious for information phone Dee at 298-3568 or Mrs. Johanna Hulsing at 298-2246.

Anyone missing a heavy knit white sweater since the league play-offs between BA and Legal Juvenile girls and BA and Morinville Bantams may obtain same at the home of Hugh Allen. It was found at the ballgrounds.

Mr. and Mrs. Pete Ober-towich of New Westminster are visiting with Mr. and Mrs. Mike Malanchoy and Mr. and Mrs. Roy Malan-chen. Shortly after arrival their daughter Louise had the opportunity of seeing the inside of the Sturgeon Gen-

eral Hospital where she underwent an emergency appendectomy.

There are still a few baseball uniforms out. A special thank you to those thoughtful and co-operative mothers who sent back sparkling clean and beautifully ironed ones.

Senior mens' and senior womens teams are both entered in the Lamont tournament on August 6 and 7. The mens game is scheduled for 10 a.m. Sunday and the ladies play at 6 p.m.

4H membership has provided interesting holiday activities for several district young people. During the week of July 2 - 8, Florence McKay and Kim Pawluk attended Club Week at Vermillion. The following week Pat Ferbey attended Club Week at Oids. During the week of August 6 - 11, Patrick will take part in a Junior Leadership Seminar to be held at Goldeye Camp while Debra Uchacz will be attending Conservation Camp at the James River Bible Camp.

Achievement Day for the 4H Light Horse Club will be held on Saturday, August 12 in the skating rink. Members of the club rode in the Legal Fete au Village parade with Kim and Lori Pawluk, Penny Carleton and Judy de Smet taking part in the gymkhana later in the day.

An open invitation to newcomers to the village and district to attend the church of their choice is extended by the United Church, regular services held every Sunday morning at 9 a.m., the Anglican Church which will hold a joint service with the Gibbons congregation at Bon Accord at 11:30 on August 13th; and the Roman Catholic Church, services held regularly at Gibbons at 9:30 a.m.

Are you remembering to tell those new neighbors to register their school age

children with the village office, Mr. Pasenko or Mrs. Brown prior to school opening?

Mr. and Mrs. Hugh Cline and Cameron recently returned from a two-week camping trip over the Hart Highway. Their first stop was at Lake Wabasca where they enjoyed the facilities of a fine campground provided by the Provincial and Federal parks department. Pick-eral fishing was excellent. At one time Wabasca was accessible only by plane. Since the discovery of oil at Red Earth the community can now be reached by an almost perfect all-weather road. After leaving the park the Clines visited with friends and relatives en route. Among these were former BA residents Jack and Edith Milligan at Wem-bley, Irene and Bob Davis, VI and Bill Fraser and Mrs. George Persinger the former Flossie Sellick, one of the early BA pioneers) all of Kelowna, B.C.

Another Bon Accord landmark has fallen under the demolition axe. Hugh Cline's welding shop has been torn down within the last two weeks to make way for a new development. This building was built by Bill Deedman in 1937 for a garage owned and operated by Gordon McBride. Hence another sign of progress and change in this fast developing village.

Calahoo News

By Liz McLeod

Sure was lucky that Mrs. Fred Labonte only had to stay in hospital a few days last month and is now slowly recovering. Unfortunately last week she cut her finger and finds it awkward to get her work done, especially now that her daughter Dolly and Charlie Scott from Vancouver, B.C., will be coming for a visit.

Mrs. A. Melina Paquette has had a short stay in Stony Plain Hospital and didn't look too spry when Elsa, Emelia and Liz paid her a visit before she was scheduled to return home on the 29th.

Residents in the Green Willow district wish Mr. Robert Steiger a speedy recovery since he just entered hospital on July 27th. Mrs. Birdie (McLeod) Russell has just become a patient in the University Hospital and we all wish her a speedy recovery.

Funeral service held for beloved "Maggie"

By Liz McLeod

One of Calahoo's best loved pioneers has gone on to Glory. Mrs. Charles Nord passed away quietly at her home on the farm west of Calahoo on July 6, 1972, just 83 years young.

Margaret (better known as Maggie) was born at St. Albert on October 26, 1888, and was the daughter of Maclure and Genvieve Gray.

In 1912 this lovely lady was married to Mr. Dan Noyes and lived in Calahoo (then known as Noyes Crossing) but in 1923 this marriage ended with Dan's death. Then in 1925 Maggie remarried and became Mrs. Charlie Nord and moved to the farm only to become a widow again in 1959.

She leaves to mourn her loss two sons; Jack Noyes of Calahoo and Edward (Ted) Noyes of Campbell River, B.C. Three daughters by her second husband, Evelyn, Mrs. Reg. Belair; Edith, Mrs. Howard Blanchard of Onoway and Kathleen, Mrs. Jerry Cox of Calgary. One sister; Elizabeth Leclerc of Vancouver, B.C. one sister-in-law Mary, Mrs. Ambrose Gray of Onoway and 18 grandchildren.

The funeral services were conducted in St. Rose of Lima Church in Onoway with the Very Reverend Father Doherty officiating on July 11 with the church filled to capacity with relatives, neighbors and friends pay-

ing their last respects to this kind-hearted lady.

Soloist was Sister Annette and her beautiful voice touched our hearts while Sister Young capably played the organ and joined in singing one hymn.

Active pallbearers were Messrs. Bud Noyes, Edward Gray, Malcolm McKenzie, James Winston, Gerald Gaenette and George Noyes.

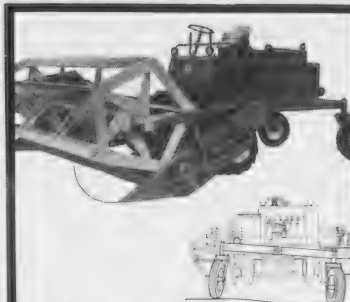

Interment was in the church cemetery and Connelley and McKinley Fun-

eral Directors were in charge.

Lunch was served at Mr. and Mrs. Reg Belair's home following the service.

A PAGE DESIGNED TO INFORM FARM READERS ON CURRENT AGRICULTURAL NEWS AND EVENTS AND TO SERVE AS A FORUM FOR EXPRESSION OF FARMERS' OPINIONS

Guarantees - What they should do

By Donna Mead, Assistant District Home Economist

Did you know that a guarantee can be worded in such a way that it provides the purchaser with little or no protection at all? We all think of a guarantee or a warranty as assurance that a manufacturer or dealer is standing behind his product.

In law, a guarantee is a promise by the manufacturer or retailer concerning such things as quality, performance, condition or fitness of the article. In some cases, the guarantee is protecting only the manufacturer or retailer.

Implied warranties and conditions are promises fix-

ed by law. These promises include: that the dealer has a right to sell the goods; that goods supplied correspond with the description or samples provided; that the article is in good condition and suitable for the required purpose.

Express warranties are specific promises made by the manufacturer or retailer as stated above, with respect to quality, performance condition and so forth. But when we accept an "express warranty" we often give up an implied warranty.

All guarantees should be carefully read for "ifs" and "buts." Always get your guarantee in writing.

The guarantee should tell you:

1. What product - or parts

of the product - is actually guaranteed.

2. Whether or not labour and shipping costs are included should repairs be necessary.

3. The duration of each section - how long are they in effect?

4. What procedures the buyer must follow. Sometimes it is necessary to complete and send in a form or follow a specific program of maintenance, such as in the case of some automobile warranties.

5. Exactly how the guarantor will fulfill his promises, i.e., will he repair, replace or refund?

6. Who the guarantor is - dealer or manufacturer. This is important if the purchaser moves to another

location and the item fails to live up to its claims.

If a guarantee or warranty is not honored in circumstances in which it should be, contact the head office of the firm involved. You may also refer the matter to: 1) your provincial or 2) federal government consumer affairs bureau for advice, or 3) you can take it to your lawyer if this is practical in terms of cost.

Remember, however, that it is your responsibility to know what is in that contract you are making. Carefully read the fine print of ALL guarantees to make sure that benefits are not exaggerated and exceptions concealed, exceptions which could cost you more than you bargain for.

Farmers Urged To Clean Dugouts Now

Re-issued from the District Agriculturist's office.

Les Reid, head of the Alberta department of agriculture's engineering and home design branch, advises farmers who did not clean their dugouts in the spring to do so now.

Algae, weeds and leaves often cause an unpleasant taste and odor in the water, and can be responsible for pipes and filters in water systems becoming blocked. Algae are small rootless plants which give the water a greenish tinge when only a few are present. A heavy growth causes scum to form and increases the corrosiveness and toxicity of the water. A bluish tinge to the water indicates a very poisonous algae variety. This water should not be used until it has been treated and the bluish color has disappeared.

Decaying organic matter in a dugout or pond increases the acidity of the water which causes the iron in the soil to dissolve in the water. Various species of iron bacteria may damage plumbing fixtures and other metal. A brown slime in pipes and other fixtures is an indication that the bacteria are present. A chlorinator and activated carbon filter will reduce this problem when only a small amount of iron is present.

One pound of copper sulfate per 100,000 gallons of water will kill the algae and prevent further growth this year. It will not, however, dissolve the organic matter

that is already in the pond or dugout. This is the reason that dugouts and ponds should be treated early in the spring.

There are two methods of applying copper sulfate. The first is to put crystalline sulfate in a porous cloth bag (not burlap) and with two 100-foot cords pull it back and forth across the surface of the water until all the chemical has dissolved and the whole water surface has been covered.

The second method is to dissolve powdered copper sulfate in warm water and spray the entire surface of the water. Since copper sulfate is very corrosive, the sprayer should be thoroughly cleaned afterwards.

If the pond or dugout has a lot of other aquatic weeds, including or excluding algae, digout (Region A) should be used instead of copper sulfate. Half gallon is the rate suggested for a standard-size dugout. If the water has a great many suspended particles, digout will not have any effect on the weeds unless the water is first sprayed with 100 to 200 pounds of powdered aluminum sulfate to settle out the silt particles. Water which has been treated with digout should not be used for drinking nor drunk by animals or human beings for at least 24 hours.

The 20-mile-deep blanket holding the world's weather contains 5.6 million billion tons of air. National Geographic says.

Fireblight blamed for extensive damage suffered by fruit, ornamental trees

Re-issued by the District Agriculturist.

Fireblight is causing serious damage again this summer to many fruit and ornamental trees in Alberta.

The most susceptible varieties are fruiting and orna-

mental crabapples, apple trees and mountain ash trees. Plum and hawthorn trees are also susceptible, but to a lesser degree.

Rapid wilting of the ends of the branches and the browning of leaf clusters is the most typical indication

of fireblight infection at this time of year. If the infection is not checked immediately, it will spread under the bark of the branches to the main trunk. Once it reaches the trunk, there is little, if any, hope of saving the tree.

Fireblight is caused by a bacterial disease, and spreads very quickly from one infected tree to other susceptible varieties. In fact one diseased tree in a city block will quickly infect all susceptible varieties for at least a block in each direction.

Often the bacteria overwinters in the sunken disease lesions on the branches. The severity of the disease seems to depend upon the weather and to some extent upon the soil fertility, being more prevalent in rich soils. Periods of fairly high temperatures, high humidity and frequent showers contribute to its rapid spread. Flying

insects and wind-driven rain are the main carriers of the bacteria.

Herman Osterhuis, tree specialist with the Alberta Department of Agriculture, recommends cutting the wilted branch ends and any diseased wood back six to eight inches below the site of infection. He stresses that it is very important to dispose of the infected branches immediately, and to dip the pruning shears in a disinfectant like formaldehyde before starting on another tree. The careless handling of cutting tools is one of the quickest ways of spreading fireblight, he says.

While about 1/4 ounce of salt a day is required by the human body, physicians believe the reason most persons eat more is that they find salt to be an emotional stimulant.

Swathing as vital as seeding - Klatt

By W. O. Klatt, District Agriculturist.

The swathing of rapeseed is just as important as the seeding.

Shattering of seeds and big fluffy swaths that can be easily rolled by the wind reduce yields significantly.

Canadians contributed \$1,655,500 to CARE Canada in the last 12 months. Mr. Henry Langford, chairman of the CARE Board, in a year-end statement pointed out that this was \$600,000 more than CARE received in the previous fiscal year. "The majority of the increase," Mr. Langford said "consisted of donations to the relief and rehabilitation of the East Bengal refugees assisted by CARE following the devastating cyclone and civil war.

The time to swath rapeseed is when it is in the partly green stage. About 25 to 30 per cent of the seeds will begin to turn from green to brown. The seeds will mature in swath and will be of good quality. However, it is just as important not to swath too early.

The stubble should be left as long as possible to anchor the swath, the rape being cut just below the seed pods. Normally a light pack or a 4 x 8 plywood can be used to press the swath into the stubble, however, caution should be used to ensure the swath doesn't settle too far in the stubble, otherwise shattering will occur when combining. Laying swaths parallel to the direction of the prevailing wind may reduce losses also.

Re-issued from the District Agriculturist's office.

Are you interested in horticulture? Would you like authentic up-to-date information on new developments in the industry? Then enroll now in "Hort-Week" scheduled to take place at the Olds College from August 7 to 11.

There are five separate courses in this year. The first three days will be devoted to the growers' clinic and the advanced commercial floral design school. The four-day basic commercial floral design school will start on August 7 and finish on August 10. The horticultural science school and the homemakers' flower arranging course will be held on

August 10 and 11.

The growers' clinic is open to anyone operating or working in a commercial greenhouse or nursery. Among other things it will cover the latest in budding plant culture; new bedding plant varieties; ornamental research programs; recent research information on commercial greenhouse production of tomatoes, lettuce and cucumbers; supplementary lighting for greenhouse crops; control of the greenhouse environment; cost of greenhouse crops and propagating and "growing-on" techniques for geranium culture. The fee is \$40 per person.

The advanced commercial floral design school is open

to anybody who has taken a basic course and has had some experience. It features advanced techniques in floral design and will provide students with an opportunity to work under the supervision of qualified instructors. The fee is \$45 per person.

The basic commercial floral design school is open to anyone who wants to improve his skills in handling and arranging flowers. It will feature the mechanics of flower arranging, wiring and taping, use of ribbons plus the opportunity to develop skill in a number of basic designs. The fee is \$35 per person.

The horticultural science school is intended for people who want to update their

knowledge of sciences related to horticulture. It will be of special value to candidates enrolled in, or intending to enroll in, the Canadian diplomas in horticulture assessment program. The fee is \$20 per person.

The homemakers' flower arranging course is an introductory course in arranging garden flowers for the house. The fee is \$8 per person.

The cost of room and board at the college's new residence complex will be approximately \$10 a day, based on double occupancy.

Registration forms are available from the department of extension, University of Alberta, Edmonton.

Morinville warmly greets Quebec exchange students

By Rose Martel

The Town of Morinville and the MD of Sturgeon gave their 20 visiting students and 20 local students, coming home from a 10-day visit to "LaBelle Province" the red carpet treatment, on their arrival on Thursday, July 27 with their supervisors, Madame Chislaire Lessard, and her husband Monsieur Jean-Jacques Lessard, from Louiseville, P.Q. and Mr. and Mrs. Gerald Houle from George P. Vanier school, Morinville.

After having met the group at the CN station, a cavalcade of 10 cars were met on the grounds of the MD Building on the south entry to Morinville, by the Morinville Drum and Bugle Band under the direction of Mrs. Angeline Gibeault, and Mr. Matt Tellier, and paraded through main street, then to the Morinville Centre, where a civic welcome was tendered. Mr. Alphonse Norbert, secretary of the MD Council, was master of ceremonies and introduced Mayor Arthur Stapleton of Morinville, who welcomed our students back with a few fatherly words of "welcome back, I am sure you all were goodwill ambassadors on your trip to Quebec and Ottawa," and proceeded to give a cordial and warm welcome to the visiting guests. He was followed by Mr. Edward Courchesne, deputy-Reeve of the MD of Sturgeon, who also welcomed the young visitors and their supervisors, in both French and English.

The formal presentation of the Morinville Golden Friendship Key was formally presented to each visiting student, as they were individually introduced by their local host, and was finally accepted by Mr. and Madame Jean-Jacques Lessard, on behalf of the visiting group, and is to be taken back to Louiseville, where it will be displayed as a friendly souvenir from the town of Morinville, Alberta.

Mr. Jean-Jacques Lessard, then presented Mayor Stapleton with a historical volume containing the history of Louiseville, Quebec, which the Morinville mayor accepted on behalf of the students and citizens. Mr. Gerald Houle spoke and gave a short resume of the success of the trip and the warm reception given to our local students by the people of

the region visited, as well as the people of Quebec, Montreal, Three Rivers and Ottawa where they visited.

Mr. Marcel Schayes, coordinator of the trip also addressed the large group of parents and students. Finally Miss Carol Woytkiw president of the Student Exchange group, representing Morinville, thanked the local residents of Morinville and all the organizations and individuals who made this wonderful trip possible.

After refreshments were served and the family groups dispersed for home until supper time to get acquainted with their individual guests, who would share their family life until August 7.

At 7 p.m. the town of Morinville and the Morinville Board of Trade sponsored a steak barbecue for the families and guests in the International Building. Mayor Stapleton, Councillors, Harve Atkinson, Garret Willey, Leonard Gibeault and Mrs. Ann Maslyk, assisted by volunteers served some 132 guests who enjoyed a bountiful evening meal, Western style. Mr. Matt Tellier was master of ceremonies and introduced Mr. Ernie Jamison, MLA who brought greetings to our visitors from the Government of Alberta. Mr. Romeo Boissennault on behalf of the Morinville business community also welcomed the young visitors and also congratulated the local students for being such good public relation ambassadors during their stay in the East addressing the gathering in both French and English.

The following afternoon the group spent seven hours stay at the Edmonton Exhibition grounds, and enjoyed the gala atmosphere of Klondike Days. On Saturday morning a great majority travelled to Legal to see the opening parade to the Fete au Village celebrations. Others took advantage of the open house at the Ed Kryskow cottage at Lac La Nonne for the weekend. On Saturday evening the Morinville Lions treated the students and their guests at a picnic barbecue supper on the picnic grounds, east of the arena. Again the fare was Western style with corn on the cob, barbecued hamburgers, hot dogs and pop, a real young crowd pleaser, cooked and served by the Morinville Lions. Saturday evening the crowd divided some going to Legal Teen Dance and others enjoying house parties.

Sunday was a free day and many travelled to Legal once again, or rested at home. On Monday morning July 31, the group took off at 7 a.m. sharply chartered

bus for a three-day trip to Lake Edith, Jasper, the Ice Fields, Maligne Canyon and Miette Hot Springs. On Thursday, August 3, another free day, it was a shopping excursion to Edmonton, or a visit to some local site of interest. Several visited the Hutterite Colony, and the Alexander Reserve, Grandin Shopping Mall, others just rested and visited locally.

On Friday, August 4, the entire group will be the guests of the City of Edmonton with a luncheon at Edmonton City Hall, and visit historical, industrial, educational and cultural centres, returning to Morinville in time for supper. Later that evening, the Georges P. Vanier Students Union hosts a public tea dance in the Morinville Centre, to which all young folks are invited to attend, between 9:30 and 1, with the Shagmatters band from Calgary providing the music.

Saturday, August 5 will provide another free day for rest and leisure shopping. On Sunday, August 6, the MFC of Morinville will host the "Bon Voyage" supper in the Morinville Centre for parents, students and guests only. Mrs. Yvonne Leduc, member of the school board will be master of ceremonies, at which time Mayor Arthur Stapleton, Father Georges Primeau and school board president, Roger Blackburn will be invited to say a few words of farewell to our guest students who will leave via CNR, super transcontinental at 1:15 p.m. Monday, August 7th.

Members of Georges P. Vanier school who took part in the Student Exchange trip were: Lynn Champagne, Louise Courchesne, Gerard Carrigan, Janelle Gibeau, Julie Himschoot, Denis Boissennault, Donald Krausnick, Sherry Kryskow, Joanne Bachand, Diane Martel, Shirley Mikaluk, Laurier Norbert, Monique Riopel, Norman and Louise St. Laurent, Michelle Tellier, Carol Woytkiw, Aline Remillard, Gerard Leduc and Kelvin Sultner. Visitors from the East were: Lise Cloutier, Diane Desautels, Denyse Deschesnes, Nicole Gaboury, Nicole Gbenschky, Lise Guindard, Jocelyne Lamy, Monique Lamy, Marie-Claude Lessard, Michel Livernoche, Maguette Paille, Lynda Vincent, Johanne Vanasse, Gerald Belanger, Andre Bellemare, Guy Bellemare, Yvon Bergeron, Yvon Boisvert, Francois Milet, Norman Pratt, Supervisors were Mr. and Mrs. Chislaire and Jean-Jacques Lessard of 1193 Blvd. Ouest Louiseville.

Mayor Arthur Stapleton of Morinville presents the Golden Friendship Key to Jean-Jacques Lessard and his wife Chislaire of Louiseville, Quebec. Mr. and Mrs. Lessard received the presentation on behalf of the 20 exchange students visiting Morinville. The popular Quebec couple, who are accompanying the contingent of exchange students presented Mayor Stapleton with the History of Louiseville.

Calahoo WI Hold K-Days Show

By Liz McLeod

A very worthwhile Wednesday afternoon was spent at the Klondike Exposition July 26 when Calahoo WI demonstrated "The Story of Wool" from its beginnings showing a live sheep to spinning the raw wool done by Mrs. V. Betty Albrecht. Followed up by Liz McLeod using hand carders, to Mrs. C. Lena Bergtreiser making this carded wool into a larger ball with her machine. Using this batt, Mrs. W. Tona Christen explained to spectators and showed them how the wool is put into a quill.

Mrs. F. Elsa Lischewski was unrolling a skein of spun wool and making balls which could then be used for knitting socks, mitts, etc.

Mrs. M. Daphne Kerr, Mrs. J. Anna Carty, Mrs. K. Mary Dalheim were showing interested folks how to knit, both the old country style and the modern method. On the show cases were samples of the finished product such as cushion tops, socks, mitts, sweaters and the like and on the table lay samples of raw wool, spun wool, dyed wool, carded wool and a booklet compiled by Daphne of the story from its beginning with pictures and samples.

Perhaps the live sheep

got most of the attention but it was so nice to explain to and visit with so many wonderful spectators during our three-hour stand in the Exhibits Building.

One of our former charter members Mrs. J. Vi Matkeva was a most pleasant visitor as was a more recent former member Mrs. H. Joyce Bergtreiser not to forget Daphne's mother and dad, Mr. and Mrs. W. Akerman and their visitors Daphne's Auntie Gladys and Uncle Vick.

Lorne and Rosemary Dalheim also came to view the display. Rosemary was our most recent member but due to distance she had to give it up.

Many thanks to our drivers, Mary Vidcor, John Carvers and Vic Albrecht. Do

hope the sheep fared well and didn't cause you any trouble Vic.

Fort Saskatchewan WI took over for the remainder of the day and was so nice to visit with them and Mrs. Dorothy McLaughlin who is our provincial handicraft convener and a member of Fort Sask. WI. They were demonstrating macrame, tatting and the like.

The provincials are raffling a quilt made by Mrs. Richardson of St. Albert to boot the office fund, and two ladies from the Edmonton WI were selling tickets this day.

A single thunderstorm can release into the atmosphere energy equivalent to a megaton hydrogen bomb.

Card of Thanks

I wish to express my gratitude to everyone who attended the prayers and funeral of my beloved mother Mrs. Herve Beauchamp formerly (Mrs. Deas Bolser) and for their expressions of sympathy and mass offerings. Special thanks to Father Andre Desjardins, Father Roland Blissette, Les Femmes Chretiennes, the choir, the pallbearers, Mrs. Charrois and Mrs. Chamberland for preparing such a delicious dinner.

May God bless you all for your kindness during our recent bereavement.

Mrs. Juliette Messier.

NOTICE FEED GRAIN MARKETING INFORMATION EXCHANGE

Commencing August 1st, 1972, the Alberta Grain Commission will begin operation of an Alberta Feed Grain Marketing Information Exchange. The Exchange will provide a communications channel between sellers and buyers, and will consist of a co-ordinating centre at Calgary and stations throughout the province with the following telephone numbers:

Stations:	Lethbridge	328-7721	Vermilion	853-3313
	Calgary	269-1351	Edmonton	435-9841
	Red Deer	346-2043	Fairview	835-2228

Before calling the nearest station both the prospective seller and buyer should be prepared to supply the following information: kind of grain, bushels available or required, test weight per bushel and the moisture content of the grain. The station passes the information to all local potential buyers and if necessary, to buyers in other districts. The exchange is not responsible for any further arrangements once initial contact has been made between the two parties.

J. Channon, Chairman
Alberta Grain Commission
2nd Floor,
Agriculture Building, Edmonton
